

ADC02 - ADC08

DUPLEX CLIPS

Duplex Clip manufactured in stainless steel with stainless nuts and washers in A4 grade.

Used to create eyes in Mastrant, Polypropylene and steel rope.

Simply loop the cable each side of the threaded bolts and tighten down the plate using a suitable spanner.

Duplex clip make a very neat looking finish over cable grips.

ADC02 - 2mm

ADC03 - 3mm

ADC04 - 4mm

ADC06 - 6mm

ADC08 - 8mm

IMPORTANT!

- Do not cross the cable.
- If possible always fit the correct size thimble.
- Approximate failure load is 80% of the cable's breaking load.
- Not Suitable for lifting.
